## Melrose Park EARTH DAY Set for Saturday, April 30th

Participating in Earth Day in Melrose Park is a great way to meet your neighbors! We are on for cleaning the flower beds at the Melrose Park SEPTA station, at Valley Road near Mountain Avenue, on Saturday, April 30th from 10 am to noon. The rain date is the same time on the following day, Sunday. Please bring some tools -- rakes, pruning tools, gloves, kneeling pads etc.

The perennials we already have are plentiful. This would be a cleanup and evaluation day. So you can also bring annuals, trash bags, mulch and fertilizer. I am happy to be coordinating the event this year. If you think you will probably be coming, please shoot me an email, so I can do an advance head-count. Maybe we'll have an army of planter-cleaners, in which case we can beautify some other spots.

So send your "I'll be there" emails to me, Albert Fried-Cassorla, at [albfcc@verizon.net](mailto:albfcc@verizon.net). MPNA
