## Hurricane info from Commissioner Drew Sharkey

Cheltenham Township is preparing for the upcoming storm. Due to expected heavy rain fall, and an already saturated ground, flooding is likely in parts of Cheltenham. Please be careful and keep in mind the following:

1- Visit the Township webpage ([www.cheltenhamtownship.org](http://www.cheltenhamtownship.org)) for information on preparing for any weather emergency. Follow the link on the homepage.

2- Visit the Montgomery County webpage and click on the Ready Notify PA Link. You can register to receive emergency updates via email, cell or smartphone. It is useful for this weekend and beyond. (to save you the trouble of finding the link here it is: <http://www.readynotifypa.org/>)

3- If you have a **power outage** (write this number down now) **call PECO at 1-800-841-4141 to report the outage**. Please do not call the Police Department or 911 asking for updates if your power goes out. They will be busy handling other concerns. If you have any **emergency, please do not hesitate to call 911**. If a **tree falls and is covering a Township street, please contact 215-885-1600 or call 911**. These individuals will alert our Public Works Department who will clear the road. MPNA
